SUBJ: Factsheet on the Crediting of Physician/Dentist Special Pay for Benefit Purposes

This flyer transmits a factsheet that consolidates previous information provided about how Sections 7431 and 4118 special pay is credited for retirement, life insurance, and Thrift Savings Plan purposes. The Factsheet also contains the most recent information we have received from the Office of Personnel Management regarding this subject matter.

The information contained in this Factsheet is a supplement to the training that was provided at the St. Louis VAMC in September of 1996 to selected VISN representatives. We hope you will find the Factsheet helpful.

Questions about this flyer should be directed to your geographic area contact within the Customer Advisory and Consulting Group.
